#### Action List

1. Gregg will look into the price for team bathing caps.

Gregg has surveyed the video camera market and he recommended the purchase of a Canon video camera. The price for the camera would be in the \$700 to \$800 range. The Executive also asked to see if there is a camera available for operating underwater near that price point.

Action - Gregg will check with Roy to see if there are any waterproof camera available near the price point.

Approved - The Executive approved the purchase of the video camera.

Action - After discussion with Roy, Gregg will provide the camera specifications to Karen who will see if she can obtain a discount from Henry's Camera.

### **Coaching**

Gregg - sick days, paper workouts, coaching when there's a meet.

### **Planned Absences**

Decision - The following steps will be taken for the planned absence of a coach.

1. As appropriate Gregg and Eric will contact the other to determine if the other coach can fill in. Should an alternate coach not be available, then
2. Club members who can fill in as a coach will be contacted to determine if they would coach. They would be paid at the same rate as a regular coach, examples are Bryon and Leslie. Should an alternate club member not be available, then
3. The regularly scheduled coach will provide a paper workout(s) and will be paid \$25 per workout.

### **Sick Days**

Decision - The process described above will be followed by the scheduled coach to the extent possible. The Executive recognizes that there may be a very short time frame and that it might be necessary to go directly to Step 3.

Action - Ian will update the coaching contract to reflect these decisions.

### **Coaching When There Is a Meet**

Decision - There will be two meets this season where Gregg is planning to coach. These are the Burlington Winter Splash Swim Meet held on Sunday February 13, 2011, and the Milton Masters Swim Meet held on Sunday March 6, 2011.

Action - Gregg will provide paper workouts for the members who will not be competing on these dates and wish to swim a regular workout. The provision of these workouts will not be billed since Gregg will be paid to coach at the meets.

Decision - Eric will not be asked to coach on either of the above meet dates.

### **Entrance Fee Paid By Club**

Decision - To encourage more members participation in competitions, the club will pay to any club member the entrance fee (\$35) to either the Burlington or the Milton swim meet. The member will be reimbursed by the club after competing in the meet.
